“FOREST SITE WITH RIVER & ORCHIDS” by Valentina DuBasky at Friesen Gallery

Friesen Gallery Fine Art—
“Through Bending Trees” by Valentina DuBasky brings paintings exquisitely balanced between contemporary and ancient sensibilities. DuBasky’s surfaces, whether on paper or canvas; are lush, saturated, and engaging. Her warm, inviting paintings often appear simple at first glance.

Under closer examination, their greater depth appears, enhancing the viewer’s visual excitement. This exceptional one-person exhibit fills the entire gallery. Sun Valley Rd. & 1st Ave., Ketchum, 726-4174.
